GRIGLIA + ACCESSORI CANALETTA "COMPACT"

Prodotti da GRUPPO STAMPLAST. La griglia in PP ha un design innovativo simile alla griglia zincata e combina una buona resistenza ad un peso ridotto.

Materiale:

- Fermo FERMO10-01 in ABS.
- Griglia GC10X100-01 in acciaio zincato.
- Griglia GC10X100-01A in acciaio Inox AISI 304.
- Griglia GC10X100-02 e GC10X100-03 in Polipropilene Copolimero caricato con anti UV.

GRATING + ACCESSORIES FOR CHANNEL DRAIN "COMPACT"

Manufactured by GRUPPO STAMPLAST the PP grating features a modern and functional design like the galvanized grating combining good strength with low weight.

Material:

- ABS locking component FERMO10-01.
- Galvanized steel grating GC10X100-01.
- Stainless steel AISI 304 grating GC10X100-01A.
- UV stabilized polypropylene copolymer grating GC10X100-02 and GC10X100-03.
